PRASHANT KUMAR JINDAL

Strategy and Operations | Revenue Planning | Commercial Analytics

Madrid, Spain | +34 657 273 048 | prashant.k.jindal@gmail.com | linkedin.com/in/prashantjindalie

SUMMARY

Seven years in sales, partnerships and strategy and operations, turning commercial data into plans that sales teams carry out. At Boston Institute of Analytics I built CRM and KPI systems that lifted outreach conversion 28% and a six city go to market plan with investment cases and revenue forecasts. At upGrad I found two broken funnel stages and lifted conversion per counselling session from 14% to 30% in six months. International MBA candidate at IE Business School, graduating December 2026.

PROFESSIONAL EXPERIENCE

BingeMind | Remote **08/2026 to Present**

Co-Founder

- Build AI automation proofs of concept for small businesses in India, including voice receptionist agents, aiming to cut operating costs 30 to 50% (a target, not a result).
- Work with dentists, CA firms and restaurant owners to find where manual, repetitive work holds the business back.

Boston Institute of Analytics | Lucknow, India **03/2024 to 08/2025**

Head of Strategy and Operations

- Designed a six city go to market and market entry strategy with investment cases, revenue forecasts and competitor benchmarks, setting FY25 growth priorities.
- Put new CRM and KPI systems in place and lifted outreach conversion 28%.
- Held the full P&L of a regional centre in a franchise led campus model and reached USD 35K revenue within four months.
- Structured and closed five B2B partnerships that cut onboarding time 25%.
- Led 200+ customer interviews that became three product launches adding 18% in cross sell revenue.

upGrad | Indore, India **03/2023 to 03/2024**

Senior Business Development Manager (contract)

- Found two broken funnel stages, rebuilt the call, pitch deck and pipeline, and trained the same team: conversion per counselling session rose from 14% to 30% in six months with no new hires.
- Operated a 40 member channel partner network across six regions and three continents inside a model of 500+ Authorised Enrolment Partners in 50+ countries, growing pipeline volume 22%.
- Beat revenue targets 15% and coached the sales team with dashboards and behavioural data, lifting productivity 42%.
- Closed corporate learning partnerships with ICICI Bank and HDFC Bank, with USD 420K in learner lifetime value.

BYJU'S | Lucknow and Mumbai, India **01/2021 to 01/2023**

Senior Business Development Manager

- Ran commercial operations and P&L across two states and 10 cities with eight BDMs and about 120 BDAs, against a combined weekly revenue target of USD 120K and USD 12.5M in managed revenue over the tenure (target based).
- Owned pipeline reviews, territory planning and forecasting in a 120+ person organisation.
- Implemented LeadSquared lead scoring and a six stage pipeline, lifting conversion efficiency an estimated 18%.
- Trained 2,000+ sales professionals in batches of 70 to 100, with 80% moving from trainee to associate, and coordinated the Manager Bootcamp for 50 managers across India and the Middle East.

PROFESSIONAL EXPERIENCE (CONTINUED)

BYJU'S | Lucknow and Mumbai, India (continued)

Business Development Manager (Top 10 Manager Award) *07/2019 to 12/2020*

- Took a regional sales team of 20 to USD 2M in revenue and 120% or more of its quota, and cut attrition from 20% to 5% within four months.
- Launched Disney BYJU'S Early Learn in five tier two and three cities with Disney's US team, using feedback from 400+ households to propose three product changes, and opened a partner led channel that brought in USD 135K in four months.

Senior Business Development Executive (Top 10 BDA Award) *06/2018 to 06/2019*

- Generated a USD 1M qualified B2B pipeline and about USD 250K in revenue, lifting repeat business 25% and closing deals 20% faster.

PROJECT (ACADEMIC, IE BUSINESS SCHOOL)

- Oatly supply chain transformation: a team project that built a five year roadmap covering ERP visibility, demand sensing and modular production.
